HIGH-SPEED BRICK FORMING AND WRAPPING SOLUTION!

The new high-speed brick forming and wrapping machine from Trepko is Trepko’s 3rd generation of brick wrapping machines. It represents a master piece of engineering. Speed is up and changeover time is down. Contact your local sales office to learn how easily your production can benefit from this development.

Benefits:
- up to 240 bricks/min.
- perfectly formed and wrapped bricks
- changeover time reduced
- filling a wide range of products
- a variety of packaging materials

800 SERIES - type 822
brick forming & wrapping machines
