

FORMING YOUR SUCCESS

VARIETY AND ACCURACY IN BRICK WRAPPING

**INCREASED NUMBER
OF BRICK FORMATS**

PMG SERIES

brick forming & wrapping machines

The PMG series of machines offer a range of outputs and packaging sizes **from 10g to 2kg** available in the traditional brick or ovals forms.

Utilising modern packaging solutions, combined with high technical machine specification, the PMG series guarantees that bricks are filled and wrapped correctly thereby giving the customer the opportunity to enhance their competitiveness in the market.

FLEXIBILITY IN FORMING AND FOLDING
