BOTTLE FILLERS

THE TREPKO GROUP CONTINUES TO MOVE FORWARD

FILMATIC now joins the TREPKO GROUP. Hereby the TREPKO product-portfolio is further strengthened by the inclusion of high-capacity Ultra Clean Bottle Filling lines. TREPKO thereby establishes itself as the **ONLY one-stop automation supplier for food-manufacturers.**

FILMATIC is a worldwide supplier of in-line and rotary bottle cleaning, filling and closing systems within the dairy, food, beverage and pharmaceutical industry. A perfect synergy between FILMATIC and TREPKO is derived from 35-years of experience and vast knowledge in bottle

filling now combined with the strength of a well-developed sales and service organization.

The consolidation of TREPKO's product-portfolio enables its customers to use TREPKO as a ONE-STOP-SHOP. Dairies and the fats- and oil- industry will find that TREPKO's product portfolio fulfils their every need, and that TREPKO truly does supply the full solution reaching from where the product leaves the processing until it is sealed, boxed and palletized.

**TREPKO automates your ideas!
Imagine how easy life can be!**
